Nutrition
Glendale Senior Dining

WSL's dining services are provided by Glendale Senior Dining Services, whose Registered Dietician oversees the development of WSL's menus to ensure that all aspects of the dining experience are nutritionally balanced. Residents who have questions about how our menu meets their dietary requirements may schedule a meeting with the dining services director.

**Physical, Occupational,
and Speech Therapy**

Physical, Occupational and Speech therapies are available on-site for residents who would benefit from rehabilitation but may not want to have an inpatient stay at a rehabilitation

facility. Therapists utilize WSL's therapeutic wellness equipment to help residents achieve maximum benefit. Referrals are made through primary care provider.

Preferred Pharmacy

Medication orders are filled quickly with daily on-site delivery and an emergency supply of the most commonly prescribed medications are kept on-site at WSL.

Elliot Hospital

Elliot Hospital provides lab services Monday through Friday.

Laboratory Services

MobileX

Mobile services that are able to provide on-site comprehensive services including diagnostic radiology, cardiology and ultrasound services right in a resident's apartment with same day results.

Hospice Care Services

Wentworth Senior Living works in collaboration with a variety of hospice agencies to provide physical, spiritual, and emotional support to residents and their loved ones during end of life care.
